Access the System

- 1) Go to the www.nashville.gov website and place your cursor on the **GOVERNMENT** drop-down box at the top of the page. When it opens, click on the link to the **"Department List"**.

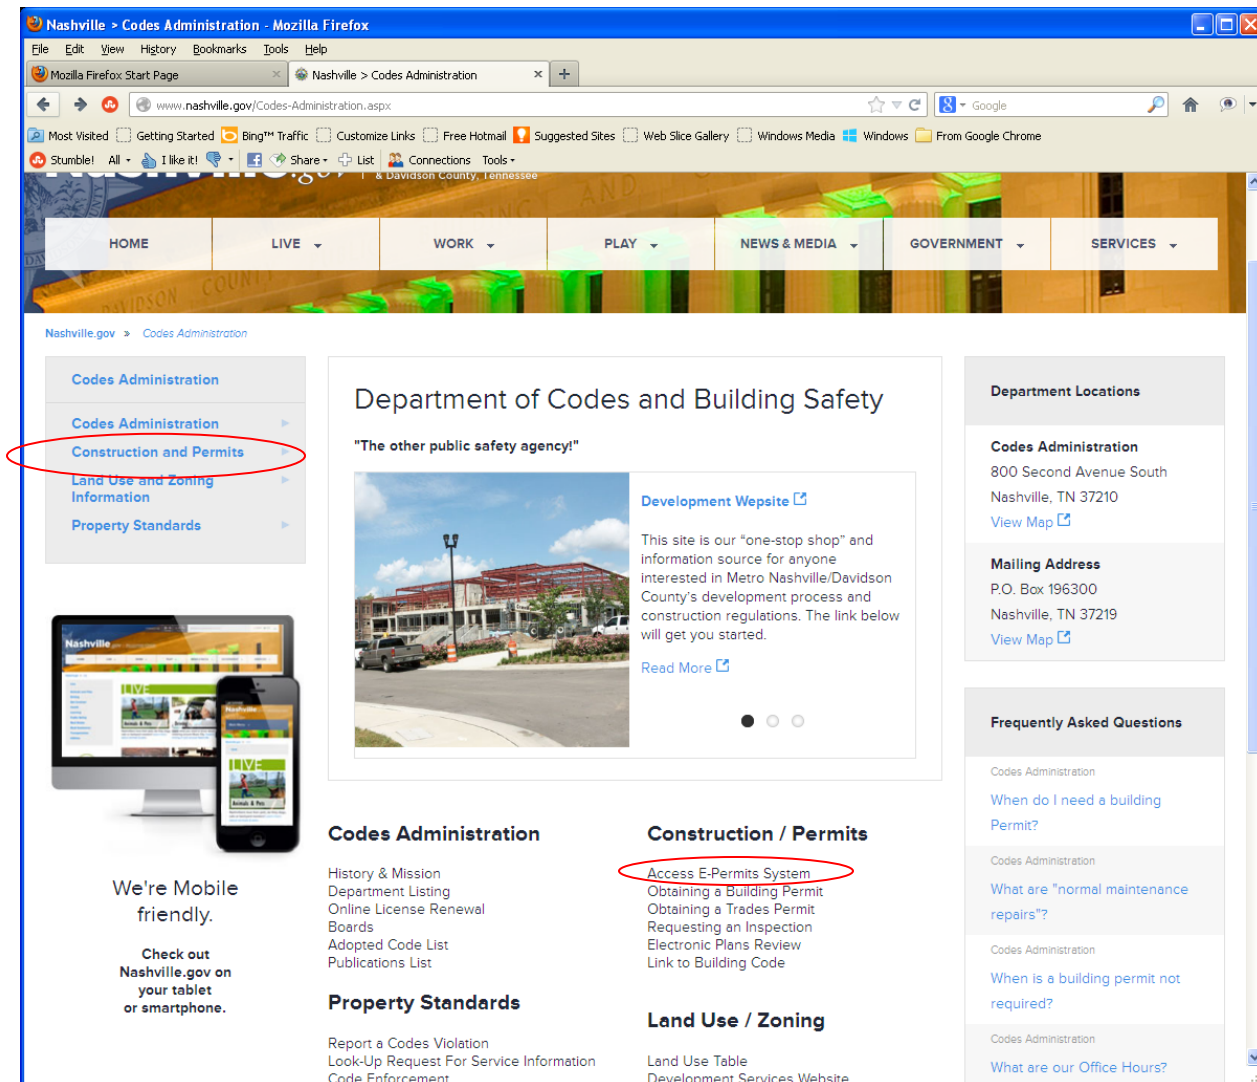

2) Click on **Codes Administration** from the Department Directory page.

The screenshot shows the Nashville.gov website in a Mozilla Firefox browser. The page is titled 'Find Metro Departments' and includes a search bar with the text 'Search Departments, Services, Programs, and Initiatives'. Below the search bar, there is a section titled 'Metro Departments A to Z' with a subtext 'Select the plus icon (+) to view department services.' and an 'Expand All' button. A list of departments is displayed, with 'Codes Administration' highlighted by a red circle. The list includes the following departments and their addresses:

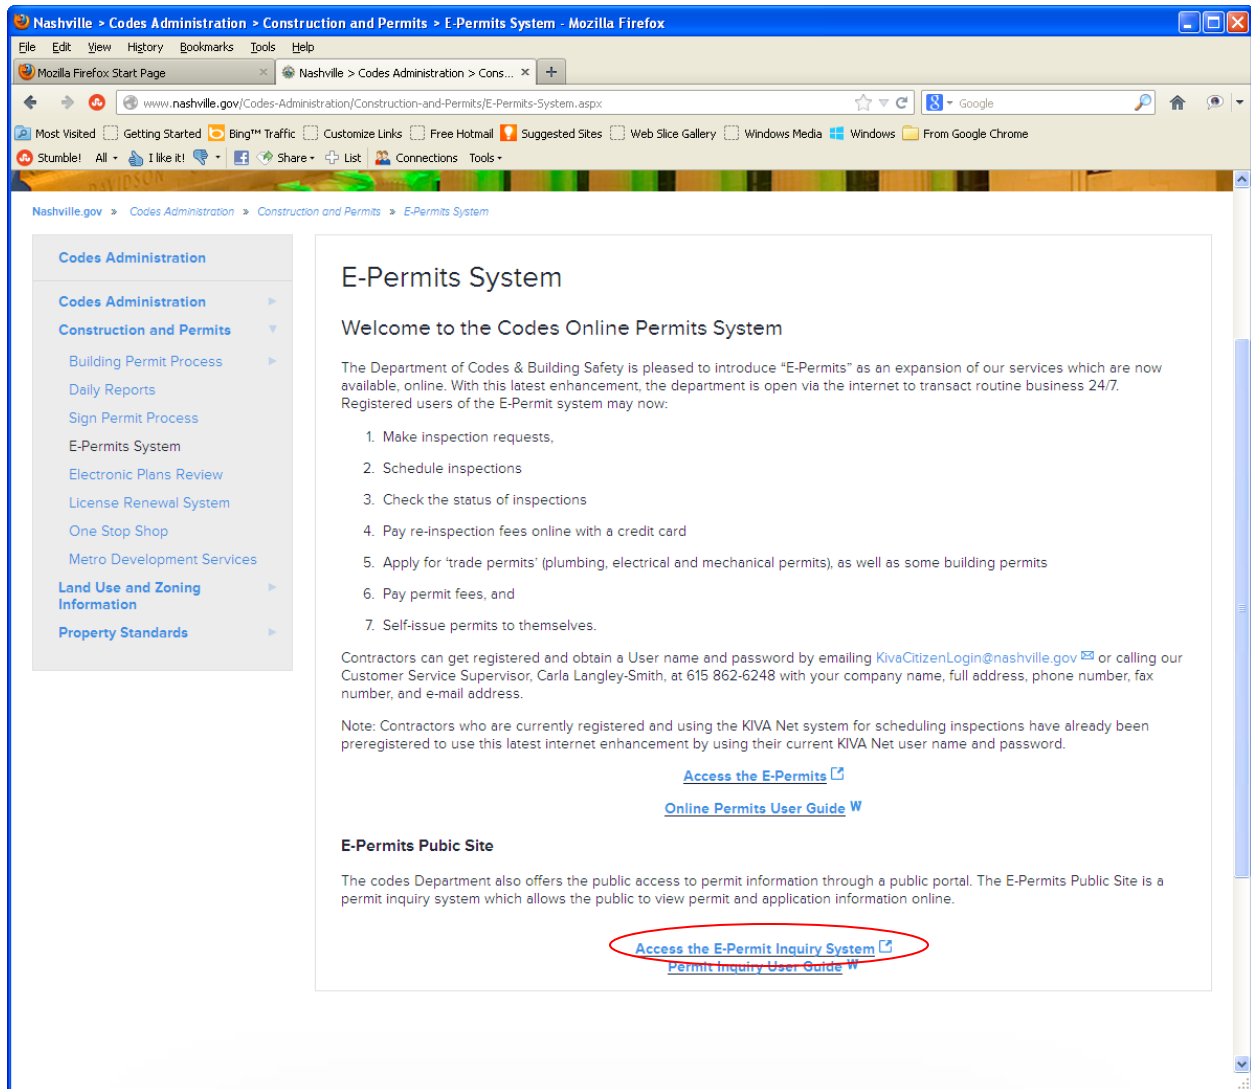

Department	Address
Agricultural Extension Service	1417 Murfreesboro Pike, Nashville, TN, 37219
Arts Commission	800 2nd Avenue South, Nashville, TN, 37210
Assessor of Property	700 2nd Ave S. Suite 210, Nashville, TN, 37210
Beer Board	800 Second Avenue South, Nashville, TN, 37210
Circuit Court Clerk	1 Public Square, Nashville, TN, 37201
Clerk and Master of the Chancery Court	1 Public Square, Nashville, TN, 37201
Codes Administration	800 Second Avenue South, Nashville, TN, 37210
Community Corrections	

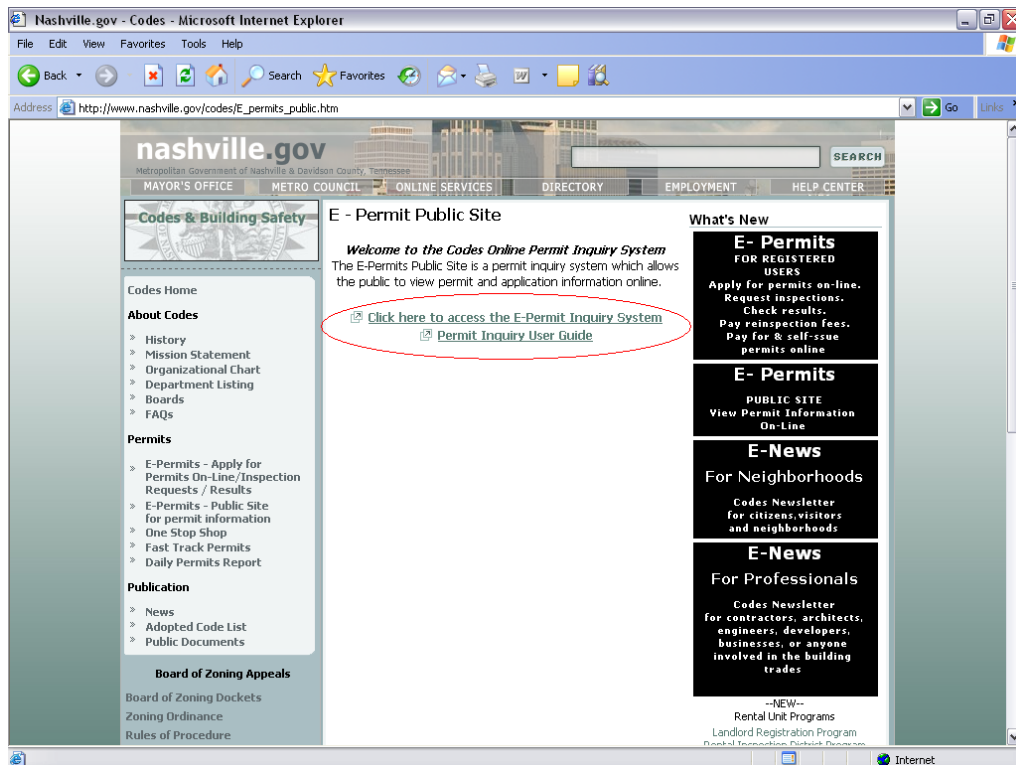

On the left side of the page, there is a sidebar with links to 'Find Metro Departments', 'Find Metro Services', and 'Frequently Asked Question Center'. Below the sidebar, there is a mobile-friendly banner that says 'We're Mobile friendly. Check out Nashville.gov on your tablet or smartphone.' and shows images of a tablet and a smartphone displaying the website.

- 3) Click the **"E-Permits – Public Site for permit information"** link under the Construction and Permits link on the left, or the **Access E-Permits System** on the Codes Administration Home Page.

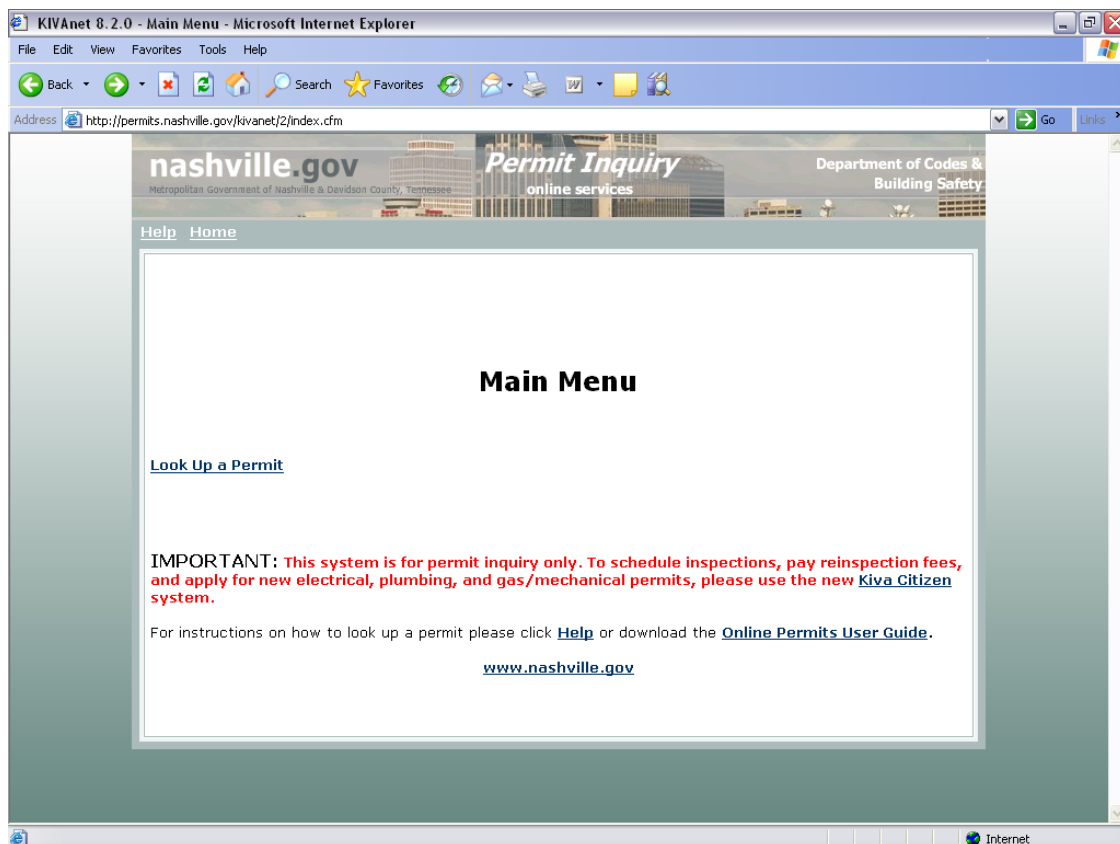

- 4) Once you have selected the E-Permits System link, the Welcome page below will display. Select the [Click here to access the E-Permit Inquiry System](#) link to open the Permit Inquiry system or click the [Permit Inquiry User Guide](#) to open or save a copy of this user guide. If you want to see a daily activity report, click on the link to the E-Permits Inquiry System page. This will allow you to create a custom daily report that you can review on-line or print.

- 5) After selecting the [Click here to access the E-Permit Inquiry System](#) link on the Welcome page, the Main Menu below will display. You are now able to look up Permit information. Click on [Look Up a Permit](#) to view permits and applications.

Search Instructions

To search for a specific permit, enter the necessary search criteria into one or more of the available fields. When the **Search** button is clicked, a list of all records with an exact match on the search criteria will be displayed.

To search on partial information you can use the wildcard (%) within the search criteria. Wildcards can be used in one field or multiple fields.

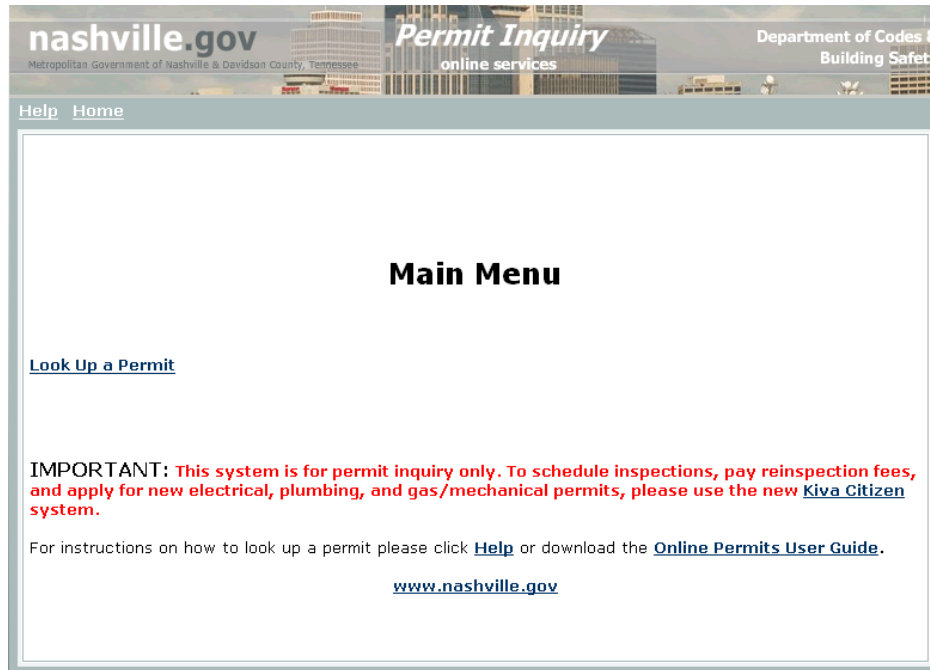

- Placing a wildcard (%) after the search criteria retrieves all the records that start with the search criteria.
- Placing a wildcard (%) in front of the search criteria retrieves all the records that end with the search criteria.
- Placing a wildcard (%) on both sides of your search criteria retrieves all the records that contain the search criteria somewhere within the field.
- If a wildcard (%) is not used, only the records with an exact match on the search criteria entered will be found.

The following table shows some of the ways you can use wildcards (%):

Field	Records that are retrieved
Electric	All records for the field that equal <i>Electric</i>
Electric%	All records for the field that begin with <i>Electric</i>
%Electric	All records that have <i>Electric</i> at the end of the data for that field
%Electric%	All records that have <i>Electric</i> in any portion of the data for that field
2006%	All records that have the numbers <i>2006</i> at the beginning of the data for that field

Permit Type and Number / Permit Tracking

- 1) To look up Permit and Inspection information, click on [Look Up a Permit](#) from the **Main Menu**.

- 2) To look up a permit by the IVR permit tracking #, permit type, permit number, a specific date, or a date range click on [Permit Type and Number / Permit Tracking #](#) from the **Permits - Main Menu**.

- 3) Enter search criteria in *one or more* fields and click the **Search** button at the bottom of the screen. Select **Active**: to include only permits with an open status, **Inactive**: to include only permits with a status other than open, or **All**: to include all permits regardless of status. Remember to use the wildcard (%) if exact information is unknown (see page 5).

Search

- The address fields are Number (house number), Prefix (direction N, E, S, W), Street (name), Type (AVE, ST, RD, etc), PD (post direction N, E, S, W). See the examples on the screen.
 - Enter MAIN to look up all parcels with street name equal MAIN.
 - Enter BONNA% to look up all parcels with a street name beginning with BONNA.
- To search by APN (Map Parcel number) use a wildcard when the entire parcel number is not entered, such as 123000%. Do not enter dashes and / or special characters.
- Street or APN must be entered for a valid search. All other search criteria can be entered with either the Street or APN fields.
- The owner names are stored with the last name first, followed by a comma and space, then the first name such as DOE, JOHN.

- Enter HALL, B% in the Owner Name to look up all owners with last name HALL and first name beginning with B.
 - Enter %FELIX% to look up all owners containing the name FELIX.
-
- For a list of permit types see page 17 or click the [Help](#) link at the top of the page. Then click the [List of Permit Types](#) link.
 - All date formats are **dd-mmm-yyyy** (Example 01-jan-2006). The wildcard (%) cannot be used within dates.

Note: The following fields are either not used or not fully populated in the system and therefore may not be reliable search options: Domain, Project, and Department.

- 3) If only one permit matches the search criteria entered the **Permit Summary** will display (page 9). If multiple permits match the search criteria entered the **Matching Permits** list below will display and you will need to click the correct permit to display the **Permit Summary**.

Contractor / Professional Lookup

- 1) To look up a permit by contractor or professional name click [Contractor / Professional](#) from the **Permits - Main Menu**.

The screenshot shows the Nashville.gov Permit Inquiry online services page. The header includes the Nashville.gov logo, 'Permit Inquiry online services', and 'Department of Codes & Building Safety'. Below the header, there are links for 'Help' and 'Home', and a 'Permit Look Up' link. The main content area is titled 'Permits - Main Menu' and contains the instruction: 'To look up a permit, click one of the following:'. Below this instruction, there are three bullet points: 'Permit Type and Number / Permit Tracking #', 'Address', and 'Contractor / Professional'.

- 2) Enter the contractor or professional name and click the **Search** button at the bottom. Remember to use the wildcard (%) with a partial name if the exact name is unknown (see page 5). Select **Active**: to include only permits with an open status, **Inactive**: to include only permits with a status other than open, or **All**: to include all permits regardless of status.

The screenshot shows the Nashville.gov Permit Inquiry online services page, specifically the 'Look Up by Contractor / Professional' section. The header is the same as the previous screenshot. The main content area is titled 'Look Up by Contractor / Professional' and contains the instruction: 'Enter the complete name or use the percent sign (%) with a partial name.' Below this instruction, there are three examples: 'Example: electric%' (Lists all names beginning with electric), 'Example: %electric' (Lists all names ending with electric), and 'Example: %electric%' (Lists all names containing electric). Below the examples, there is a text input field labeled 'Contractor / Professional Name:' with the value '%electric%'. To the right of the input field is a checkbox labeled 'Show Permit Description'. Below the input field and checkbox, there are three radio buttons: 'Active:' (selected), 'Inactive:', and 'All:'. At the bottom right of the form is a 'Search' button.

- 3) If only one permit matches the search criteria entered the **Permit Summary** will display (page 9). If multiple permits match the search criteria entered the **Matching Permits** list
